

## HALVERSON IS SAFE; WIFE'S FEARS PAST

### Anxious Woman Receives a Letter Saying Husband Is Well in England.

What she declares is the most well-known letter ever received by her in all her life, reached Mrs. John A. Halversen, 872 West Fourteenth North Street, yesterday. It was from her husband, and it told that he would sail from England on May 2.

The letter came, Mrs. Halversen said, after she had been living in days and nights of anxious suspense, because in the list of cabin passengers of the Titanic she saw the name of Halverson and she did not see it on the list of rescued.

Halverson had completed a mission for the Mormon church in Norway recently, and was on his way back to England, and would sail for America on the earliest date his duties would permit.

That was the last word from him until the radiant message of yesterday.

After the Titanic sank Mrs. Halverson communicated with the White Star line through the Mormon church officials, and learned that the boat Halverson's wife was not those of her husband, but even this served but poorly to allay her fears.

## MRS. PUGSLEY WINNER IN MENU COMPETITION

Mrs. Joseph Pugsley, 541 North Second Street, Salt Lake City, proves to be the winner of the prize in the menu competition that was conducted by the Manufacturers' association during Utah Product week in the beginning of the present month.

Yesterday Mrs. Pugsley precisely described to Secretary D. E. Collett of the association the set of menus which she submitted in the competition. She explained that her contribution had been made during the absence of Mr. Collett, and that she had deposited with him an envelope containing her name. In the menu she was on during the exposition, identifying marks between the two envelopes were not made, and therefore the mix-up.

Mrs. Pugsley will be given the \$50 worth of Utah food products as her reward, and a special prize will go to Mrs. Pugsley for her set of menus submitted in the competition. Mrs. Pugsley is the wife of Joseph Pugsley, bank sergeant at the police station.

## TWO WOMEN TESTIFY

What Lydia E. Pinkham's Vegetable Compound Did For Their Health—Their own Statements Follow.

New Moorefield, Ohio.—"I take great pleasure in thanking you for what your Vegetable Compound has done for me. I had bearing down pains, was dizzy and weak, had pains in lower back and could not be upon my feet long enough to get a meal. As long as I laid on my back I would feel better, but when I would get up those bearing down pains would come back, and the doctor said I had female trouble. Lydia E. Pinkham's Vegetable Compound was the only medicine that helped me and I have been growing stronger ever since I commenced to take it. I hope it will help other suffering women as it has me. You can use this letter."—Mrs. CASSIN LLOYD, New Moorefield, Clark Co., Ohio.

Read What This Woman Says: South Williamstown, Mass.—"Lydia E. Pinkham's Vegetable Compound certainly has done a great deal for me. Before taking it I suffered with backache and pains in my side. I was very irregular and I had a bad female weakness, especially after periods. I was always tired, so I thought I would try your medicine. After taking one bottle of Lydia E. Pinkham's Vegetable Compound I felt so much better that I got another and now I am a well woman. I wish more women would take your medicine. I have told my friends about it."—Mrs. ROBERT COLT, Box 45, South Williamstown, Mass.

## Local Securities

John C. Cutler, Jr., investment banker and broker, in his weekly trade letter, writes as follows:

With the advance of spring there is gradual improvement noted in business generally all over the United States. Locally, weather conditions during the week have been rather unfavorable for any great activity in any line of trade, so business in both wholesale and retail lines has only been fair and collections inclined to drag. But the outlook is improving, as the April showers came just as they were needed for the dry farms. The building trade looks promising and it is hoped that there will be good crops.

During the week the controller of currency called on the national banks for reports of the condition of their affairs on April 18, and the reports published by our local banks show splendid resources. The Beneficial Life Insurance company has authorized the increase of its capital stock from \$100,000 to \$200,000, and the increased stock on the market for \$175 per share. Z. C. M. I. stock sold for \$205 per share during the week, and Utah State National bank stock at \$57.50 per share, while \$106.75 per share is asked for Consolidated Wagon & Machine company.

Local securities, as a rule, are firm and in fair demand.

Think of this for a value—new silks for dresses, waists and foundations. These beautiful silks come in chiffon taffeta, in cream, light blue, pink, ceru, old rose, reseda green, grounds with printed figures. While we were getting out these silks for Saturday selling a traveling man from one of the silk mills examined carefully a piece of the goods.

"What are you going to place this silk on sale at?" he asked.

We told him 59 cents.

"Goodness, you must have paid 85 cents a yard for it. Why, I can't buy it myself at that price. I believe I will take seven yards myself and send it to my daughter back home."

We merely mention this conversation to show the worth of the silks which will be featured Saturday.
